Information Brochure

**6<sup>th</sup>–8<sup>th</sup> November 2014**  
**Perth, Western Australia**

Dear Friends and Colleagues,

It is a great privilege to be hosting the ADVOC Asia 2014 AGM in Perth, Western Australia, on the 20th Anniversary of the founding of ADVOC Asia. The importance of a network such as ADVOC Asia is obvious when one considers the profound political and economic changes which have occurred in the Asia Pacific region in the two decades since 1994. We hope that the 2014 AGM is an opportunity to consider how we might help each other deal with the next 20 years, as well as celebrate our past.

But most of all, the team at Kott Gunning look forward to the opportunity to reciprocate the wonderful hospitality we have received from our ADVOC friends on so many occasions and to showcase the beautiful city of Perth.

We have compiled an exciting social program for delegates and partners to experience our spectacular scenery, play golf and enjoy world-class food and wine.

We look forward to seeing you in November for what promises to be a wonderful 20th Anniversary AGM.

Regards

Stephen Williams

### Doing Time Tour:

Step inside and join our experienced guides as we explore Fremantle Prison from its convict origins in the 1850's until its closure as a maximum-security gaol in 1991. Take a visual journey back in time in the Main Cell Block where you can view life as it was for both convicts and prisoners. Discover how time was passed in the yards, while marvelling at original prisoner works of art. With a whipping post, gallows and solitary cells, Fremantle Prison is a monument to a system of punishment that is uncomfortably recent. Pray for redemption in the chapel and laugh as our entertaining guides show you the lighter side of Prison humour.

### Great Escapes Tour:

From shackles and isolation, to walls, gates, gun towers and razor wire, Fremantle Prison was designed and built as a place of incarceration. Join our experienced guides to see where many daring and dangerous escapes were attempted by convicts and prisoners alike.

Become acquainted with bushrangers and escape artists, such as Moondyne Joe, and marvel at his escape proof cell.

Explore the Women's Prison and be led through the rifle range as we entertain you with the stories and folklore of successful and unsuccessful escape attempts.
