## Reserva Amazonica

03 days/ 02 nights

### PUERTO MALDONADO – RESERVA AMAZONICA

Climb the banks of the meandering Madre de Dios river, and enter another world. Wake to a symphony of tropical birdsong; end your days by lantern light, falling asleep to the gentle night noise of the Amazon rainforest.

Exotic, yet accessible, Reserva Amazónica Lodge is situated in a private reserve, surrounded by a vast Peruvian Rainforest. As Peru's pioneer in nature travel and research, Inkaterra provides an unforgettable introduction to this amazing realm of incomparable biodiversity.

#### DAY 01 – TRIP TO PUERTO MALDONADO – RESERVA AMAZONICA

-/L/D

Flight to Puerto Maldonado (Not included)

Welcome in Puerto Maldonado. Check-in, and in only 15 minutes you can get to the boarding wharf. Begin to experience the enchantment of the rainforest as you take a 45-minute boat ride along the Madre de Dios

River, to arrive at Inkaterra Reserva Amazonica lodge. After a short briefing, settle into your beautiful cabaña and enjoy your lunch in the dining room. Take a siesta, share a refreshing tea time and get ready for the afternoon excursion.

After gathering with your Inkaterra Explorer Guide, choose from the 14 different excursions available at the Inkaterra Reserva Amazonica. On your first day, we recommend a guided walk along the Trail system, into the Inkaterra Reserva Amazonica natural area, where you will discover the Amazon Basin. This trail offers an excellent introduction to the forest environment, winding past impressive trees such as the Shihuahuaco, and the strangely beautiful strangler fig, offering excellent opportunities for bird watching and observing exotic insects.

We also recommend on the first night our Twilight River excursion — a guided afternoon boat ride on the Madre de Dios river. Witness the transformation from a diurnal to a nocturnal world: animals and birds of the daytime give way to species specially adapted to the night. As you enjoy their paradise, you will learn about their habits, while you search for nightjars, owls, capybaras and up to three different caiman species.

Enjoy dinner served in the main dining room from 7:30 p.m. to 9:30 p.m. After dinner, you may retire early to your own cabana, or share your experience in the rainforest with other guests and interpreters, as you listen to the intriguing sounds of the jungle at night.

#### DAY 02 – RESERVA AMAZONICA

B/L/D

Wake up late or rise early — the choice is yours. Breakfast begins at 5:30 a.m., for those who want to avoid the heat, and enjoy nature at its fullest. A full buffet breakfast is served from 5:30 a.m. to 9:30 a.m. During the morning you may visit the Lake Sandoval excursion into the Tambopata National Reserve. Glide in a wooden canoe, across a beautiful, mirror-like oxbow lake that is home to the endangered giant river otter, as well as red howler monkeys, red-bellied macaws, anacondas, side-neck turtles and black caimans. Return to the Inkaterra Reserva Amazonica for lunch.

After lunch, consider the remarkable Inkaterra Canopy Walkway. Ascending the first tower, 29 meters above the forest ground, you begin your encounter with the treetop realm. For more than a quarter of a mile, you will literally walk through the rainforest canopy on a suspension bridge network linking eight observation platforms. During this hour-and-a-half expedition, be on the lookout for colorful toucans, woodpeckers, trogons, monkeys, and sloths. If you wish you may extend your excursion and watch the
